There were total 8 questions I don't remember the exact wording and forgot one question. Time management was difficult because you don't have time to think and correct mistake....

1. Trait theory say leaders are borndo u agree if not then why?
2. MbtIthing and judging personalities are effective leaders ...explain
3. Information is most powerful tool ...how it effect the leadership ?
4. Coercive power is not recommended explain why?
5. Personality is important how it affect the leadership?
6. (PLC and path goal theory) discuss in light of these theories how important is style and situation in leadership?
7. One question was about article diff b/w management approach and leadership approach?
